

Presentation: The career graph of Sundar Pichai

Refer to the document provided. The document delineates the development of Sundar Pichai's professional career within Google, to become its CEO. Subsequent to reading, you are expected to give the presentation.

Guidelines to remember while speaking:

1. Structure your response as a mini essay.
2. Make sure your response has an introduction, a body and a conclusion.
3. Use transition words to guide your listener in a logical, organized way.
4. Use clear English in a confident, expressive way. Simplicity is powerful.
5. Speak at an even pace.
6. It is better to slow down and be completely understood, rather than rush and lose points.

Language-help for the presentation

A good reflection should follow this template...

- The reading/article is about...
E.g. the article is about the career development of Sundar Pichai...
- It states that.../ As the article says...
- First of all, I would like to mention...
- Next,/secondly, he...
- In this way, he...
- In my opinion...
- In the following year/in September 2008...
- Moreover...
- The article.../reading also states that...
- Beckmann also adds, referring to...
- To sum it up... /And that's why I feel that... /And that's why I believe that...
